### Dear Parents, Guardians, and Families,

We officially celebrated the 100th day of school on February 5—100 days of learning and the halfway point of our school year! What a meaningful milestone for our students and staff. I enjoyed seeing all the fun ways our teachers celebrated this with students.

This week, we were also able to enjoy several Catholic Schools Week activities that were postponed due to last week's weather. One of my personal favorites is the Luminary Walk. I am always moved by the sincerity and depth of our students' prayers for their families and for one another.

This year, I was honored to speak with our students about Vocations—God's unique and loving plan for each of their lives. Sharing with them how valued they are and reminding them that everyone is created for a special purpose was truly the highlight of my week. The future of our world is right here at St. Rose growing, learning and loving. From where I sit, that future looks incredibly bright.

As a reminder, please take time to review our Remote Learning Plan so that, in the event of a school closure, you and your child are prepared for a day of learning at home.

Have a wonderful week everyone!

Yours in Christ,  
Mrs. Donna Judy, Principal  
JMJ
