## Sleep Is Important

It's a proven fact that all ages perform better at jobs, at school, etc. with a good night's sleep. Attached is a chart of bedtime/morning wake up time suggestions. What time do they get up = what time they need to be asleep. A good bedtime routine will make getting up easier and less melt downs throughout the day. Children need a lot of sleep to give their bodies and brains time to recuperate after a long day of learning.

## Dear Parents, Guardians, and Families,

Over the past couple of weeks, we've shared information about our upcoming Oktoberfest, October 11. This is one of our biggest fundraisers of the year, and it directly supports our school budget. For it to be successful, we need every family's help.

- **Classroom baskets:** Each class is donating themed items for raffle baskets.
- **Work shifts:** Today we are sending home a sign-up sheet for parents to work at least one shift at a booth. Please return this form quickly-families earn **House points** for their child for turning it in early! Right now, our lower Houses (K-4) are in the lead.

As you know, we transitioned to using FinalForms this year, to include tuition payments. On your bill, you have seen the tuition owed (after the EdChoice Scholarship is applied) plus student fees. The difference-\$1835 per student-is covered in two ways:

1. Parish subsidy
2. School fundraisers (like the Oktoberfest)

### Our handbook reminds families that:

- Each parent is expected to work at least one 2-hour shift at both fall and spring fundraiser events.
- All families are expected to participate in school fundraisers.

Your participation not only helps cover costs but also builds community. We are counting on all our parents to join in and make Oktoberfest a success!
